Students should choose 4 subjects, one from each different Subject Block e.g. A = Biology, B = Psychology etc.

Vocational courses occupy 2 blocks if they are Double Award, but only 1 block if they are Single Award

For further advice on subject combinations, please contact Mrs Gould or Mr Wilder in the first instance

*Core maths is an enrichment option equivalent to an AS level. You will need to study 3 other subjects in conjunction.

If the current blocks do not allow you to select your chosen combination of subjects, or if there is a subject you wish to study that is not listed, please contact Mrs Gould (info@st-peters.bournemouth.sch.uk)

All courses are available subject to demand and staffing availability
